

TEXAS Watershed Steward

The Texas Watershed Steward program is a free educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**June 21, 2016:
1:00 pm - 5:00 pm**

San Jacinto River Authority
1577 Dam Site Road
Conroe, TX 77304

**Free lunch starts at 12:30 for attendees
that register by June 19th**

The workshop will provide an overview of water quality and watershed management in Texas. Efforts to improve and protect Texas' water resources will be discussed along with the recently created Watershed Protection Plan for Lake Conroe. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
